SOMETHING TO THINK ABOUT!

FRIENDS: In almost every newspaper we pick up we read of "Heart Failure," "Heart Disease," something about the heart being the cause of his or her taking off. Now, we see that

VICE PRESIDENT HOBART

has "heart disease" and is about to die of heart failure. Now, dear friends, will you kindly tell me who ever died that did not have heart failure? Keep the stomach in order and the blood pure and there will be no "Heart Disease," but the heart may fail (at death) all the same.

Dr. Chapman's treatment cleanses the blood so there is no "Heart Disease." Never mind your "faith" or "Hokus Pokus," try him and he will convince you. Remove the cause is all you need.

DR. S. L. CHAPMAN, at W. W. Scott's residence on Military street, Baxter Springs, Kansas.

REWARD—I will pay \$10 reward for the return of my dog. He is large, young, white with liver-colored spots, is a double nosed pointer. CHAS. MCNULTY.

The Baxter News was the only newspaper in Cherokee county that fought the high school steal and Baxter Springs voted almost solidly against it.

The Galena people say hundreds of people voted for the high school steal under a misapprehension. They thought they were voting for a high school in Galena instead of a fraud in Columbus.

Farmers of Cherokee county, what do you think of paying six dead beat trustees of the Columbus high school two dollars a day to do what your own trustees do for nothing? If you do not care to add from five to ten mills to your taxes join an organization to defeat the robbery.

J. W. McCammon has rented one of Daniels store buildings and will start a general store next week. Mr. McCammon says he has been traveling for eighteen months, but found no place where he thought he could do as well as Baxter. If you want the very nicest sale bill that can be printed, and at reasonable prices, too, come to this office. We don't lay down to anybody on fine job printing, and especially sale bills.

The News office rather knocks them all out on sale bills, horse bills and fine job printing. We would like to have the farmers compare our sale bills with those printed at other offices. We not only have the type and material, but we get in the artistic touches cross roads printers do not possess. There are lots of better printers than we in the printing business and some of them may be George Washington's, but the farmer who wants a sale bill or jack diploma does not care for patriotism, morality or the sunbeam sort of Christianity. He wants good, wholesome artistic work in clear type, white paper good ink and skillfully displayed. And that's the sort of work we do at the News office.

Constipation means the accumulation of waste matter that should be discharged daily, and unless this is done the foul matter is absorbed and poisons the system. Use Herbine to bring about regularity of the bowels. Price 50 cts. Cooper Drug Co.
